

CURRICULUM VITAE

DIKDIK FIRMAN SIDIK

About me

Dikdik Firman Sidik is an education leader committed to advancing Indonesia's human capital through equitable and innovative education. With a bachelor's and master's in Educational Management from Sunan Gunung Djati State Islamic University Bandung, I have led diverse institutions—from pesantren to universities—focusing on institutional development and inclusive access. My leadership, strategic planning, and communication skills have driven programs aligned with SDG 4 (Quality Education), mentoring educators and bridging gaps in underserved communities.

Through the LPDP Scholarship, I aim to acquire global expertise to tackle systemic challenges like curriculum modernization and marginalized community leadership. Post-study, I will contribute to policy reform, inclusive education models, and academia-industry collaboration, embodying LPDP's mission as a transformative leader for Indonesia's sustainable future.
